

# NDIS LESSONS AT KING ST MUSIC SCHOOL

We are excited to share with you information on our NDIS lessons. At King St Music School, our NDIS participants may be able to have their music lessons funded under their plan.

Our NDIS lessons help our students develop musical skills, improve their overall well-being, and increase participation in the community.

Our NDIS lessons go beyond our traditional teaching methods, incorporating students' emotional and social needs, and individual program goals.

Our NDIS lessons provide an individualised approach in meeting the specific needs of the student. This may include modifying teaching methods, communication strategies, behaviour management, and incorporating disability awareness.

Our NDIS lessons are provided by our professional teachers, who each have extensive experience in teaching people of all abilities in a fun, engaging, hands-on, and inspiring way. Our NDIS lessons focus on developing musical skills, techniques, and theory, whilst learning to play an instrument. Lessons may also include singing and movement.
