

King St Music School Payment Terms and Missed Lesson Policy 2024

Students and their families may have noticed some ongoing changes to our lesson pricing & payment terms recently. We thank you greatly for the support we have received during this time.

At King St Music School, we have been affected by rising costs throughout 2023, and into this year. This has resulted in the difficult decision to increase our lesson pricing, effective Term 2, 2024. This will directly affect all our full time and casual students.

Please understand the change in lesson pricing is a result of the increased costs of operating the music school. We strive to provide affordable lessons available to everyone, with equal pricing for every student. Your lesson price includes personalised lesson plans, all instruments provided, and all learning materials. No extra money is required from you to purchase books and music. And no further costs during the term! We also offer at no cost to students in 2024, our school holiday performance (make up) classes, upcoming mid year & end of year solstice concerts, and our annual Christmas party.

Our music school continues to grow, and as a result of this all lessons will now have a GST component included.

Our new lesson pricing, effective April 15 2024 is as below.

Option 1.

\$35.00/30 min lesson

\$50.00/45 min lesson

\$70.00/1 hour lesson

\$20.00/30 min lesson with trainee teacher

**inc GST*

Each student will be issued an invoice in Week 1 of Term 2. Students will be invoiced in full for a Term long booking. Invoices will be based on a students individual Term 2 lesson plan.

Option 2.

Casual lesson plan of \$40.00/30 min lesson

**inc GST*

Our casual students will pay as they attend each lesson. This is a good option for students looking for flexibility with their lesson time.

Please read our Payment Terms for full conditions and payment options.

We thank you for your understanding, and sincerely ask you to reach out with any questions or feedback you have on lesson pricing.

Kind Regards,

Jordan

King St Music School Payment Terms and Missed Lesson Policy 2024

Missed Lessons

As we are fully booked into 2024, we are unable to schedule make up lessons. Make up lessons for student absence will not be available during Term 2.

Concerning makeup lessons it may be beneficial for Students to consider a casual rate if they know they will be away 2 or more lessons throughout the term e.g. 8 x \$40.00/lesson = \$320.00

If you know you will be away in advance, let us know, and the lesson can be rescheduled. We will try our hardest to work with the student to reschedule the lesson during the term. The number of lessons you can reschedule will be at your teachers discretion. Please note missed lessons will not be rescheduled into the following term.

A make up lesson will only be offered to the student if a teacher is unable to deliver the lesson for any reason.

It is important to us, that students who are unwell, do not attend their music lesson. This is to ensure we all stay safe and well throughout the term. If unable to attend, please provide as much notice as possible before your scheduled music lesson.

What can you do to reduce missed lessons? Opt into our swap list. Join our new group holiday classes. Ask your teacher for some new music to play at home. Have a sibling, parent, or friend attend the lesson.

We welcome any siblings, parents, and friends to your lesson time. In making a full term payment we have secured that lesson time for your use.

Your teacher has planned your lesson in advance, so we do encourage the student to ask for music to play at home. We are happy to email it to you.

Swap List

We aim to introduce a swap list in Term 2 2024. The purpose of this is to assist the student in attending lessons weekly.

What is our Swap List? Our swap list will allow students to trade lesson times if they have to miss a lesson and are aware of this in advance. Students who have opted to be on the swap list will receive this list at the beginning of term.

How does it work? We will make a list of student names and their lesson time. This list will only be provided to students who have agreed to be on the swap list. Students can then contact others on the swap list and ask to trade lesson times, for any given week.

We ask all students to respect each others information, and to be considerate when asking for a lesson swap.

You must inform your teacher of any lesson swaps before the lesson. This is to assist us in planning your lesson, as we want you to get the most out of your lesson.
