King St Music School Payment Terms and Missed Lesson Policy 2025

Missed Lessons

As our teachers are fully booked into 2025, King St Music School can only accommodate makeup lessons during school holidays. With a limit to each student of 2 make up lessons only, each term.

Please note that missed lessons cannot be rescheduled into the following term, and are not able to be credited towards future student invoices.

Please note our operating hours, lesson times, and teacher availability will differ during school holidays.

For makeup lessons, it may be advantageous for students to consider a casual rate if they anticipate being absent for 2 or more lessons throughout the term. For example, 8 lessons at \$40.00 each would total \$320.00.

A rescheduled lesson during term will only be offered if a teacher is unable to deliver the lesson for any reason.

It is important to us, that students who are unwell, do not attend their music lesson. This is to ensure we all stay safe and well throughout the term. If unable to attend a lesson, please provide as much notice as possible prior to your scheduled lesson time.

To reduce missed lessons, enquire about a lesson swap, request new music from your teacher to practice at home, or have a sibling, parent, or friend attend the lesson in your place.

We welcome any siblings, parents, and friends to join your lesson time. In making a full term payment, you have secured that lesson time for your use.

Your teacher has prepared your lesson in advance, and we encourage students to ask for music to practice at home. We are happy to email any requested materials to you.

Thank you for your understanding and cooperation.
